Multi-Day Sierra Alpine Technical Equipment List Mt. Whitney East Face/Buttress / Palisades Climbs & Camps Other Technical Climbs & Sierran Peaks

For the success and safety of your course, please bring the following items. This equipment list is designed to keep you warm and dry in the environment in which you will be hiking and climbing while maintaining the weight you will carry to a minimum. If you have a question(s) about an individual item(s) feel free to give us a call. You can expect daytime temperatures to be warm and nights will be cool. Weather in the mountains is Very changeable even in the summer. It may be very warm, or it may snow! This list will prepare you for all types of weather. Questions about what to bring just either give us a call or throw it in the car and ask us at the trailhead. Contact us at 888-797-6867

PLEASE NOTE: There are lots of **substitutions** available on this equipment list, we use this list from **June through October**, you are **not required** to purchase the exact items, BUT YOU DO NEED to bring quality substitutions. We do need **3-4 layers on top** and **2-3 layers on the bottom plus hats, gloves, sunglasses and the other items on the list!** If you can't decide on an item or items, feel free to throw it in the car and have the guide help you with the decision at the pack check. If you have any questions about what to bring, **PLEASE**, give us a call at 888-797-6867.

Phone: 888.797.6867 / Fax: 877.797.6867

Other Optional:

- Synthetic or Down Vest (depends on time of year)
- Trekking Poles
- Sneakers or camp shoes (sports sandals work)

Freeze Dried Dinners, Additional Breakfast Items, Lunches and snacks for 2-5 days depending on course:

Bring your own freeze-dried meals for dinner, additional breakfast items, lunch and snacks. We will supply instant oatmeal packets for breakfast and tea/coffee for hot drinks. The guides will just be boiling water for dinner and breakfast. We realize that normally we supply dinner and breakfast but unfortunately these are not normal times and for the safety of everyone involved we feel it is best if the guides just heat water. While this is an inconvenience, we hope you will understand. Freeze dried meals can be found online on Amazon and backcountry.com and at Walmart in endless flavors. Our favorites are the Mountain House Beef Stroganoff and Chili Mac and for Backpackers Pantry the Pad Thai is pretty good. Lunches and high carbohydrate snacks-Examples: Clif Bars, Power Bars, GORP (good old peanuts and raisins), bagels, cheese, crackers, cookies, candy bars, dried fruit, hard candy, chocolate, and granola bars. SWS will provide dinners, breakfast and hot drinks.

OTHER SERVICES:

Rentals: Packs, Trekking Poles, and Rock Shoes are available for rental through SWS. We recommend that all rentals are reserved before the date of departure.

LAST MESSAGES:

SWS Mountain Guides reserves the right to refuse services to any client deemed inadequately prepared at the trailhead. To avoid disappointment, and for the safety and enjoyment of all involved, PLEASE ARRIVE WITH ALL THE ABOVE ITEMS! If you have questions about your equipment, give us a call or throw it in the car and ask your guide at the trailhead. In preparation for the trip - be sure to drink AT LEAST 4 QUARTS OF WATER A DAY for at least 2-3 days before your trip, preferably for the whole preceding week - it will make your adjustment to altitude and exertion infinitely easier.
