### ACONCAGUA EXPEDITION 22,834 ft. Highest Peak in Western Hemisphere Normal Route

The summit of Aconcagua (22,834 ft.) is the main objective of this 3-week expedition to the southern hemisphere. We will be attempting the regular route, which, while not requiring a high degree of technical expertise, does require a relatively high level of commitment and conditioning due to the nature of the weather and high altitude involved. It is strenuous, and reaching the summit requires a sustained effort that can only be realized through proper training and conditioning.

**What to Expect:** We will be climbing to high elevations (over 20,000 ft.). Your physical conditioning, mental attitude, and flexibility will all be factors in making an exciting, fun, and successful trip. You will be required to carry your share of the group equipment and food while climbing our high camps. We try to keep this weight to a minimum with burros/horses up to base camp. In addition, we are traveling and climbing in a foreign country. While, SWS Mountain Guides make the best possible plans and account for all possibilities, this is adventure travel. Part of the experience is being flexible and making changes to the itinerary as needed to account for local conditions. If you keep this in mind, you will have an exciting and fun-filled expedition to the highest mountain in the South America.

**Trip Cost & Dates:** January 4th -24th, 2023 / January 3<sup>rd</sup> -23<sup>rd</sup>, 2024

**Price:** Regular Route: \$5,650 based on 6 clients / \$6,550 based on 4 Clients / \$6,850 based on 3 clients

**Note:** Price includes: \$950.00- \$1,100.00 Aconcagua Permit fees / Price subject to change until booking.

**Route:** Pricing for Normal Route Expedition. Optional routes are available and are decided by the Expedition team before departure. Contact SWS and our guides for options.

#### **The level of Experience Needed:**

**Climbers.** You must have a basic knowledge and recent previous expertise in the practice and use of crampons, ice ax, and winter camping/climbing. It is recommended that climbers have experience trekking or climbing above 14,000 ft. If you have questions about the level of experience needed, please give our office a call, and we can recommend courses or seminars to prepare you for your trip.

### **Physical Conditioning:**

Expedition Training; Level IV training required 5 times per week for at least 3 days at 40-60 minutes each session, 2 days at 60 -120 minutes each session, in one of the following categories or mixture of each: running, bicycling, swimming, stair master, ski machines, or other aerobic activities. It is also a good idea to include in your workout some flexibility training three times a week (stretching for at least 15 minutes). Plan on adding weekend training hikes and climbs with your loaded pack for overall conditioning, this is a critical part of your overall training. Other activities which will improve your conditioning for the expedition include; weight training for strength, Versa climber, jogging with a light day pack, and running stairs or hills.

**Acclimatization:** Most climbers don't think they need as much time for acclimation as is scheduled during Aconcagua expeditions. We have found through experience that our schedule is optimum for climbing at high altitudes to keep you both healthy and give you the best chance to reach the summit. Please give us a call if you have any questions.

**Equipment:** Please follow the enclosed equipment list. It is vital you bring everything on the list. If you have any questions or would like to know about a possible substitution, please give our office a call.

**General Precautions for International Travel:** You will be sent a complete package of Health Information for travel in South America upon receipt of your deposit. Following the guidelines will the likelihood of keeping you healthy and happy while you are traveling? It is paramount to maintain your health while trekking and climbing.

**Immunizations:** A recommended list of vaccinations for South America will be sent in conjunction with our health information upon receipt of your deposit. If you require this information before making your decision to join the expedition give our office a call. We will be contacting you with any up to date information on Argentina if needed. You can get up to date information at your local Public Health Department along with inexpensive immunizations. If you need immunizations, please get them as soon as possible - some vaccinations are required to be given over a period of time. For your health and safety, it is critical to have your immunizations up to date.

**Passports and other Documentation:** You are required to have a passport with six months before expiration with at least two blank page for Visa / Exit & Entry stamps for travel in Argentina and entrance back into the United States. Not included in the cost of the trip. Please don't forget! Check the equipment list. Airport Exit Taxes may not be included in your airline ticket, check with your airline. But can be between - \$15.00 - \$50.00 depending on your flights.

**Please note:** Currently, Argentina now charges a **\$160.00 fee/tax in U.S. funds** to enter their country for US citizens, other international travelers pay as well, fees vary, you can either pay this fee, which is good for 10 years with your passport.

**Baggage Restrictions:** Please check with your airline and point of departure for luggage restrictions. Departures from the US allow you to check two bags (not exceeding 50 lbs per bag) with one additional carry on not to exceed 40 pounds. The equipment on our list is under the weight and size restrictions for domestic airlines are leaving from the U.S. However, please check with your airline or travel agent when making your airline reservations, to avoid excess baggage charges, which can be expensive.

**Meeting Location:** We will be contacting you at least **14 days** before your departure with the name and phone number of the hotel in Mendoza, Argentina, where you will be meeting your guides with instruction on how to get from the airport to the hotel. Depending on the arrival times of your flights, we may meet you at the airport; we will be in contact to discuss the options.

**Deposits:** A \$1,000.00 application fee, along with Expedition Application up to six months or more prior to the expedition departure date. The fee is applied to Expedition fee if accepted to the expedition. If you are not accepted to the expedition, the fee is refundable. The balance of the 50% deposit (less application fee) is required to maintain your reservation 180 days
